

The Adobe/Fontspring Web Font End User License Agreement
Version 1.7.2 – June 15, 2021

By downloading, installing and/or embedding font software ("Web Font"), designed by the foundry ("Foundry") and offered by Fontspring, you ("Licensee") agree to be bound by the following terms and conditions of this End User Licensing Agreement ("EULA"):

1. Right Granted

Fontspring grants Licensee a perpetual, worldwide, non-exclusive and non-transferable license to link the Web Font to websites using the @font-face selector in CSS files.

2. Requirements and Restrictions

Licensee agrees to abide by the following requirements and restrictions:

- a. Licensee must use the Web Font provided by Fontspring under this EULA. Licensee may not link to the full, CFF OpenType or TrueType font intended for desktop installation.
- b. The total traffic of the website(s), measured in pageviews per month, may be no greater than the number of pageviews specified in the receipt that accompanies each Web Font licensed from Fontspring ("Receipt").
- c. Licensee may only install the Web Font on websites that it owns or controls.
- d. Licensee may embed the Web Font in reports generated by the website(s), provided that Licensee does not sell the reports for profit.

3. Provision to Third Parties

Licensee may temporarily provide the Web Font to a producer, publisher or other agent who is working on behalf of the Licensee.

The third-party designer, developer, agent, or independent contractor must:

- a. Agree in writing to use the Web Font exclusively for Licensee's work, according to the terms of this EULA.
- b. Retain no copies of the Web Font upon completion of the work.
- c. Use and embed the Web Font only in websites owned or controlled by Licensee.

4. Term

This EULA grants a perpetual license for the rights set forth in Paragraph 1 unless and until the EULA terminates under Paragraph 8. Fontspring will not charge additional fees post purchase, annually or otherwise.

5. Modifications

Licensee may reverse engineer, decompile, disassemble or otherwise attempt to discover the source code of the Web Font only to the extent expressly permitted under applicable law in order to achieve interoperability with the Web Font.

6. Copyright

The Web Font is protected by copyright law. The Foundry is the sole, exclusive owner of all intellectual property rights, including rights under copyright and trademark law. Licensee agrees not to use the Web Font in any manner that infringes the intellectual property rights of the Foundry or violates the terms of this EULA. Licensee will indemnify Fontspring and the Foundry for any infringements on the Foundry's rights caused by failure to abide by the terms of this EULA.

7. Unbundling and Repackaging

Subject to certain exceptions, Licensee may not unbundle the singular typefaces of the Web Font for use on different computers or unbundle or repackage the Web Font for distribution, transfer or resale.

8. Termination

This EULA is effective until terminated. If Licensee fails to comply with any term of this EULA, Fontspring may terminate the EULA with 30 days' notice. This EULA will terminate automatically 30 days after the issuance of such notice.

9. Refunds and Disclaimer

Fontspring will, upon request by the Licensee, provide a refund for the Web Font if:

- a. The Web Font has not been used in any publicly available website.
- b. No more than 30 days have passed since the date of purchase, specified on the Receipt.
- c. The Web Font has been uninstalled and deleted from all Licensee's computers.

The Web Font is provided "as is." Fontspring makes no warranty of any kind, either expressed or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.

Neither Fontspring nor the Foundry shall be liable for any direct, indirect, consequential, or incidental damages (including damages from loss of business profits, business interruption, loss of business information, and the like) arising out of the use of or inability to use the product even if Fontspring or the Foundry has been advised of the possibility of such damages.

Because some states do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to Licensee.

10. Governing Law

This EULA is governed by the laws of the United States of America and the State of Delaware.

11. Entire Agreement

This EULA, in conjunction with the Receipt, constitutes the entire agreement between Fontspring and Licensee.

12. Assignments

Licensee may assign its license to use the Web Font to a third party, provided that (i) Licensee obtains Fontspring's advance written approval to assign its license prior to any such assignment; (ii) the proposed assignee agrees in writing to assume all of Licensee's obligations under the EULA; and (iii) Licensee notifies the proposed assignee that any documents provided by Fontspring to Licensee identifying Licensee as a licensee of the Web Font must be updated to reflect the assignment.

13. Amendment

This EULA may be amended by Fontspring only with the prior written consent of the Foundry.

14. Waiver.

The waiver of one breach or default hereunder shall not constitute the waiver of any subsequent breach or default.
