#### Sudtipos END USER LICENSE AGREEMENT

By installing any Sudtipos fonts on a computer you or your company owns, you are indicating that you agree that the fonts being installed are the exclusive property of Sudtipos, and you or your company have a license of that property under the following terms and conditions:

#### A) NUMBER OF MACHINES

You can install the font(s) up to two computer used in conjunction with two physical output device.

The physical output device mentioned can be an inkjet printer, laser printer, offset press, silkscreener, vinyl cutter. If you have any other physical output devices you think may qualify under this clause. You can contact us if you have a different output device.

If you want to license Sudtipos fonts for more than two computer or two output device, you must upgrade your license to a multiple-device one. A multiple-device license includes the exact same terms as a standard license, but with a higher number of devices allowed. Multiple-device licenses come with automatic discounts, based on the number of devices you want the license to cover. Our Multiple-User Licensing Table can be found in section E of this document.

#### B) STANDARD PERMISSIONS AND SPECIAL LICENSING

**USE WITH ANY SOFTWARE** You can use Sudtipos fonts with any software that supports them. This includes mainstream retail software such as Microsoft, Adobe, Macromedia, Apple, Corel or any other software retailer's programs, or proprietary software you or your company may have had custom-made for special tasks.

**EMBEDDING PERMISSION** You can embed Sudtipos fonts in certain electronic documents. This includes PDF, Flash and Microsoft Office documents (such as Word or Powerpoint), or multimedia files, but please make sure, if at all possible, that you do not embed the complete character set.

**EPUB LICENSING** The standard permission to embed Sudtipos fonts in electronic documents does not apply to commercial electronic publications (such as files of epub and mobi type). Embedding and use in electronic publications requires a special kind of licensing and pricing. If the font(s) you are licensing come from one of our distributors, and the distributor has a commercial electronic publications licensing system approved by Sudtipos, the distributor's licensing terms and pricing are the ones relevant to your transaction, in addition to this current document. If the distributor doesn't have such a licensing system in place, licensing for commercial electronic publications use can be obtained directly through Sudtipos, according to the ePub Licensing Table found in section E of this document. Direct licensing can be obtained by contacting Sudtipos through any of the channels found in section D of this document.

**WEBFONT LICENSING** You can use Sudtipos fonts for simple web-related tasks, like making raster images or navigation elements to display on your web site. If you want to use Sudtipos fonts as "webfonts", whereby you include them in your CSS code so that they appear live in web site documents, you must obtain another license appropriate to that particular use. If the font(s) you are licensing come from one of our distributors, and the distributor has a webfonts licensing system approved by Sudtipos, the distributor's licensing terms and pricing are the ones relevant to your transaction, in addition to this current document. If the distributor doesn't have such a licensing system in place, licensing webfonts use can be obtained directly through Sudtipos, according to the Webfonts Licensing Table found in section E of this document. Direct licensing can be obtained by contacting Sudtipos through any of the channels found in section D of this document.

**WEB APP LICENSING** If you want to make Sudtipos fonts available as part of a dynamic interface for a server-based program (such as a Flash or PHP/Javascript program), or include them in a web browser-based program, you must obtain a special web application integration license. If the font(s) you are licensing come from one of our distributors, and the distributor has an application integration licensing system approved by Sudtipos, the distributor's licensing terms and pricing are the ones relevant to your transaction, in addition to this current document. If the distributor doesn't have such a licensing system in place, licensing font for web application integration can be obtained directly through Sudtipos, according to the Web App Licensing Table found in section E of this document. Direct licensing can be obtained by contacting Sudtipos through any of the channels found in section D of this document.

**MOBILE APP LICENSING** If you want to use Sudtipos fonts interactively as part of a dynamic interface

in a mobile app, you must obtain a special mobile app license. If the font(s) you are licensing come from one of our distributors, and the distributor has a mobile app licensing system approved by Sudtipos, the distributor's licensing terms and pricing are the ones relevant to your transaction, in addition to this current document. If the distributor doesn't have such a licensing system in place, licensing font for web application integration can be obtained directly through Sudtipos, according to the Mobileeb App Licensing Table found in section E of this document. Direct licensing can be obtained by contacting Sudtipos through any of the channels found in section D of this document.

You can install Sudtipos fonts to be served internally to users at your company, provided that you have purchased an appropriate license for the amount of users who will have access to the fonts, according to the Multi-User Licensing Table found in section E of this document.

You cannot give away copies of Sudtipos fonts in ways that do not comply with the rest of this agreement. For example: you cannot make any Sudtipos fonts available for download on the internet, email them to your friends, upload them to public internet file transfer or storing channels. Please respect the value of what we do, so that we keep having an incentive to continue doing it.

You cannot resell Sudtipos fonts through any medium unless you have written authorization from us to be a Sudtipos distributor. This also means you cannot modify Sudtipos fonts then sell the resulting modification.

If you are wondering about a particular type of usage we didn't include in this agreement, just drop us a line or give us a call and we will put your mind at ease. See section D for a way get in touch.

#### C) SUPPORT AND VERSION UPGRADES

All Sudtipos fonts undergo thorough testing before they are available for licensing, but if we did something wrong and the font you licensed doesn't perform up to your expectations, we will replace it with a satisfactory copy. Please make sure you include the order number or have the purchase receipt available when you ask for an exchange.
