End User License Agreement (EULA)

THIS IS A LEGAL CONTRACT. Please read it before installing the Fonts. If you do not accept this agreement, do not install them. By installing the Fonts, you accept this agreement. "Fonts" means the fonts (i.e. font software) specified in your invoice.

1. INSTALLATION

1.1 Permitted Number of Users. Your invoice indicates the number of commercial work stations on which you may install the Fonts. The basic license is for 1–5 work stations. If you need to use the Fonts on more work stations than your invoice stipulates, you must purchase an upgrade. Any number of printers or output devices may be used. The licensed work stations need not be at the same business location.

1.2 Networks. Apart from the work stations licensed, you may also install the Fonts on a network server. The number of work stations licensed means each and every work station where the Fonts will be used, not just the maximum number on a network that might possibly use it at any one time.

1.3 Web Servers. The fonts may not be installed on web servers that host websites. For terms covering installation on servers creating on-demand custom documents for web display, for instance in jpg format, please contact the foundry.

1.4 Non-commercial Use. You may install the fonts on all your family's computers.

2. COPYRIGHT

2.1 Ownership. You have not bought the Fonts: you are licensed to use them, by the terms and conditions of this EULA. Shinn Type Foundry retains title and all copyrights to the Fonts and accompanying documentation, and all copies and adaptations thereof in whatever media. The Fonts are intellectual property, containing proprietary information and valuable trade secrets, and as such they are protected by the copyright laws of many nations, and by international treaties. You may not copy the Fonts, except as specified in this EULA in the rest of Section 2 below.

2.2 Back-up. Archival copies of the Fonts may be made.

2.3 Service Bureaus. You may provide a copy of the Fonts to your service bureau or commercial printer, with the job files for output, but only if you are assured that the Fonts will be used only for outputting your files and will be trashed subsequently.

2.4 Embedding. Embedding of the Fonts in documents (e.g. PDF files) is permitted for viewing and printing, but not for editing. If someone at a remote location wants to edit a document that contains embedded Fonts, they must purchase their own license. Corporate documents with embedded Fonts may be edited on licensed workstations.

2.5 Transfer. You may not rent, lease, sublicense, distribute, disseminate, give away or lend the Fonts. You may permanently transfer the Fonts provided the recipient accepts the terms of this EULA, and if you trash all your copies of the Fonts.

2.6 Modifications. You may modify typesetting produced by the Fonts in any way you see fit. With the following restrictions, you may also modify or adapt the Fonts: (a) you may not distribute your adaptations, (b) you may not adapt, or merge the Fonts to create hybrid Fonts for resale, (c) you may make customized

versions of the Fonts for use by your clients, providing each workstation where a modified Font is installed is licensed for the original Font, and (d) the modified fonts are no longer under warranty.

3. WARRANTY & LIABILITIES

3.1 Limited Warranty. Shinn Type Foundry warrants that the Fonts will perform in accordance with the specifications (See 5, below), for a 90-day period following your receipt of the software. For warranty claims during this period, Shinn Type Foundry will, through its distributor, at the Foundry's discretion, either replace demonstrably defective Fonts or reimburse the license fee.

3.2 Disclaimer of Warranties. EXCEPT AS STATED ABOVE (3.1), SHINN TYPE FOUNDRY AND ITS SUPPLIERS MAKE NO WARRANTIES, EITHER EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS, AND FITNESS FOR A PARTICULAR PURPOSE. Shinn Type Foundry and its suppliers do not and cannot warrant that the Fonts will meet your requirements, function in an uninterrupted or error-free manner, or that defects will be corrected.

3.3 Limitation of Liability. SHINN TYPE FOUNDRY AND ITS SUPPLIERS WILL IN NO EVENT BE LIABLE TO YOU FOR ANY DIRECT OR INDIRECT DAMAGES, INCLUDING ANY LOST PROFITS OR LOST SAVINGS, THAT ARISE OUT OF THE USE, OR INABILITY TO USE, THE FONTS, EVEN IF A FOUNDRY REPRESENTATIVE HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES, OR FOR ANY CLAIM BY A THIRD PARTY. The above limitation may not apply in some jurisdictions.

4. GENERAL

4.1 Termination. This EULA terminates automatically without notice should you fail to comply with any of its provisions.

4.2 Use by Employees and Freelancers. It is your responsibility to inform employees, freelancers and any others who have access to the Fonts at your premises, of the terms and conditions of this EULA, and to ensure that they abide by these terms and conditions.

5. SPECIFICATIONS

5.1 Format. Shinntype fonts are available in a variety of formats for Macintosh and Windows: TrueType, Type 1 and OpenType, and with various encodings. They will perform according to the specification selected for your online download.

5.2 Encoding & Character Sets. PostScript and the older TrueType fonts have Adobe Standard Encoding, and contain the Euro symbol; the full character set is present, US International Keyboard. OpenType and the newer TrueType fonts have more encodings and features—please check typeface PDF specimens (available online) for details.

5.3 Naming Conventions. Styles and weights are compatible cross-platform.
